

ABD Student Council presents....

Christmas Door Decorating Challenge

Thank you to all of our students for taking part in this festive challenge! The judges examined everyone's doors very carefully. The doors were all truly amazing! The judges examined doors based on 4 key criteria: Quality of Construction, Creativity, Design, Attention to Christmas Theme. There was lots of excitement today and everyone went home with a special prize from Student Council reps. Please ask your child about their door and how their class did!

School Council teams did a wonderful job of planning, organizing and running a very successful (and FUN!) competition today!
